

Table with 14 columns representing different race conditions and 30 rows of data. Each row contains information such as horse name (e.g., マジカルスパークル), jockey (e.g., 小林凌), race number (e.g., 55), and performance details like time (e.g., 16.2) and win/loss status (e.g., 000000). The table is organized into columns with specific headers like 'ベストウオーリア' and 'ルゾフオニア'.
